Easter Festivities

2026

Dear Guests,

As we welcome the gentle charm of Easter and the vibrant spirit of spring, it is my pleasure to extend a warm seasonal greeting to you.

At Sheraton Maldives Full Moon Resort & Spa, we are delighted to celebrate this joyful time with you, cherishing moments of togetherness, creativity, and wonder in our peaceful island haven.

This Easter, our theme of **Soft Horizons: An Easter Gathering** brings to life the soft hues and playful magic of the season, with whimsical décor, family friendly activities, and delightful experiences designed to spark joy for guests of all ages. From colorful egg hunts and creative workshops to sweet treats and heartwarming gatherings, every detail has been thoughtfully crafted to make your Easter celebration unforgettable.

As the island comes alive with the beauty of spring, we invite you to embrace the serenity of the season, bask in pastel sunsets, create cherished memories with loved ones, and discover the gentle pleasures that make Easter at our resort truly special.

We are honored to be part of your holiday experience. May this Easter fill your days with happiness, renewal, and treasured moments in our pastel paradise.
Warm regards,

Greg Allan

Soft Horizons

An Easter Gathering

Step into a season of renewal, framed by soft horizons and ocean breezes at Sheraton Maldives Full Moon Resort & Spa. This Easter unfolds in gentle lagoon blues, shell pinks, warm sands, and coral tones, blending island serenity with moments of playful discovery.

Little explorers follow nature-inspired clues through palm-lined gardens, while creative workshops and family activities spark shared laughter and connection. Elegant Easter brunches and seasonal dining experiences bring refined flavors to relaxed island living.

From beachside games to golden sunset gatherings and quiet lagoon pauses, each moment is thoughtfully designed to be savored at your own pace. Here, Easter is unhurried. It is a celebration of togetherness shaped by light, space, and the timeless rhythm of the Indian Ocean.
